

Beacon Sloop Club Broadside

Volume 39 Issue 7

July 2012

Serving the Hudson River with Pride for 39 Years

A Message from Our President:

I hope everyone had a good Fourth of July and enjoyed the fireworks and picnics. The meeting was opened with a round of thanks to the many people who helped make the Strawberry Festival a success. We made between \$11,000-12,000. We acknowledge Steve Schwartz's role in making the Woody Sails a success at the Clearwater Revival. More than 200 people sailed on the Woody.

Aaron Havens was recognized for the repairs he did to make our building beautiful again. Everyone loves the new wood paneling. And we recognized those of the volunteers who have helped work on the building with T-shirts making them members of the "Over the Hill Gang" as they are all over fifty and most of them are over 65. Where are the younger guys?

We now have over \$75,000 in the bank. We are just \$375 short of raising \$4000 in our Raise the Sail challenge grant. And we did it in less than six months. And we are also raising money in the Save Our Sloop campaign. Keep up the good work.

The boom on the Woody went bust. Luckily we had the old boom from the Sojourner Truth. But we will need to repair the Woody's boom. We will be finishing up on the building. We need to cover some openings on the north side to prevent animals from entering. And we need to put up some gutters to prevent water from running down the side of the building. We will also be cleaning out the cabinets and the storeroom, getting rid of what we don't use and making the place more presentable.

Coming up in July is a Woody Guthrie Revival concert starring our own David Bernz and organized by Joyce. It is scheduled for 7 PM Tuesday July 12th. Suggested donation is \$10. Let's have a good turnout. The River Pool Swim is on the 21st. The Two Row Wampum canoes will be making a trial run down the Hudson the end of July

August will be a busy month with a beer tasting event at Hudson Beach Glass, the Corn Festival, a Concert, and the Living River Regatta so rest up. Robby is co-chair of the corn festival. Our thanks to a wonderful young man. James has agreed to be co-chair for the Pumpkin Festival. Thanks James.

Sincerely,

David Eberle

Inside this issue:

Our Biggest Festival Ever?, a record setting revival, Happy Birthday to Toshi, a boom transplant, many summer events, and much, much more....

NEXT EXEC. COM. MEETING IS Tuesday, July 24th 7:00 p.m.

NEXT MEMBERSHIP MEETING IS FRIDAY, August 3rd 7:30 p.m., Potluck at 6:30 p.m.

The **Beacon Sloop Club Broadside** is the official monthly newsletter of the **Beacon Sloop Club, Inc.**

The **Beacon Sloop Club, Inc.** is a non-profit, volunteer environmental education/action and sailing organization dedicated to cleaning up the **Hudson River** and its environs. Our main focus is the **Beacon, Fishkill** and **Newburgh** area.

Members meet the first Friday of every month at the **Sloop Club Building** located just across from the Beacon train station. Look for the building with the Norway spruce tree growing out of the roof! A potluck dinner starts at 6:30 p.m.; bring a covered dish to share and your own place setting. The general meeting starts at 7:30 p.m. and lasts about an hour or so. The meeting is followed by a sing-along.

The Beacon Sloop Club and newsletter are accessible from the web: www.beaconsloopclub.org.

Beacon Sloop Club General Meeting Minutes, July 6, 2012

Welcome. Club President David Eberle welcomed first-time visitors – from White Plains, Pennsylvania, Hawaii, Aaron Havens (Contractor for improvements to the Clubhouse).

Toshi Seeger's Birthday. The meeting marked the Toshi's 90th birthday with a rousing Happy Birthday, songs by Spook Handy, cake and much admiration.

Treasurer's Report. The full treasurer's report appears elsewhere in the *Broadside*. Starting Balance: \$ 65,216; Ending Balance: \$76,354. The Strawberry Festival grossed \$15,507 !

Building & Patio. Claudine Craig reported that Aaron Havens who won the contract to begin building repairs had finished the wall- and roof improvements. We applaud him for the careful work AND his invoice. David also thanked the Building Committee including Claudine, Saul, David, Ron Bell, Mark McCarroll, Mike Bosso for their effort to replace the walls and tree surround. ** The multrum will have a regular maintenance contractor, arranged by Claudine.

Woody Report. Tom LaBarr. The Woody served the Clearwater Revival, but on the return to Beacon from Croton, the boom broke. The boom from the Sojourner Trueth is serving as a replacement till a repair is made. This year more than ever, it is necessary to make reservations. The Woody is sailing every weeknight at 6pm. Monday night sail needs crew and volunteers are needed. ** Susan Berliner announced a fundraiser, Sunday, August 4th at Hudson Beach Glass. Sloop Beer is serving the beer for a tasting party. Food donations are very welcome. Rosemary Thomas and Sue Berliner are the coordinators. Call or email their numbers in the masthead for donations and food. ** Many thanks from James Malchow to Capt. Steve Schwarz for his work, including a boarding ramp from the beach, overnight at the festival and for making the Woody's Revival sails a great success.

Strawberry Festival Recap, Rosemary Thomas: 6:30 Tuesday, July 10. Anyone who contributed to the Strawberry Festival as volunteer is welcome. The meeting is at the ice cream store across from Bank Square Coffee House. David Eberle continues to match donations of \$100 or more up to \$1500.

Announcements:

Corn Festival, August 12. ** Mary Schmalz promotes the celebration of the 40th anniversary of the Clean Water Act, Thursday, July 21, 7pm at Scenic Hudson, Beacon Waterfront. ** The Beacon Sloop Club Woody Guthrie Centennial Celebration Concert, Thursday, July 12 at 7pm. David Bernz, Spook Handy and many others will be performing. \$10 donation is requested. ** Hope Altkin announced that \$147 was raised last month for the Mission Wolf foundation. ** Vane Lashua: The Great Newburgh to Beacon Swim, July 21, <http://riverpool.org>.

** Gordon Soderburg was introduced by Hope Altkin. Gordon, works through Veterans for Peace and Veterans for Green Jobs. He gave a memorable "tee-shirt presentation" about the history and successes of both groups. At the beginning of his efforts, he learned how to create bio-diesel which eventually was used to run two buses that were used for peacemaking efforts, including taking Cindy Sheehan to Crawford, TX and to New Orleans to help with Hurricane Katrina cleanup. He established a bio-diesel plant in the 9th Ward of New Orleans that supplied fuel for the relief effort. Keep Sailing!

Respectfully submitted,

Vane Lashua, Secretary

THE BEACON SLOOP CLUB
presents

A Woody Concert Centennial Celebration
A Benefit for the Woody Restoration

Thursday, July 12, 2012

David & Jacob Bernz
Amy Fradon
Spook Handy
Fred Gillen Jr & Steve Kirkman
of
Hope Machine

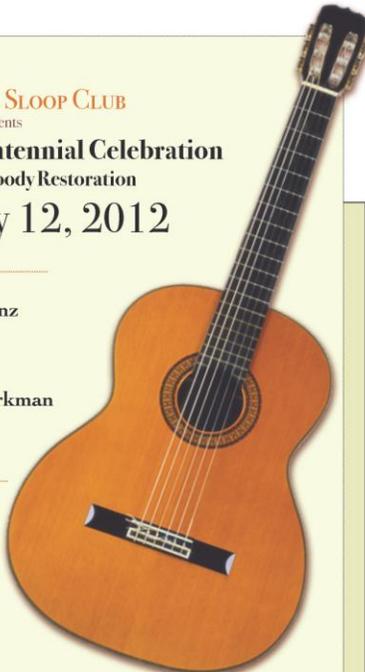

At: Beacon Sloop Clubhouse
Flynn Drive,
Beacon, NY

Time: 7pm

Cost: \$10

RSVP: (914) 907-4928

Info: www.beaconsloopclub.org

The Beacon Sloop Club, Inc. is a non-profit, volunteer environmental education/action and sailing organization dedicated to cleaning up the Hudson River. The Woody Guthrie, is the BSC's wooden sloop that provides free public sails. This benefit raises funds for restoration of the Woody Sloop.

Woody Guthrie was born on July 14th, 1912 in Okemah, Oklahoma. Pretty Boy Floyd, Pastures of Plenty, Hard Travelin', Deportees, and This Land Is Your Land are among the hundreds of his songs.

The Beacon Sloop Club house is easily accessible from 9D to the Beacon Waterfront (building adjacent to the Harbor) or by train Metro North to Beacon.

Pool Swim friends,
Saturday July 21st is the Swim Across the Hudson.

Set up on the Beacon side from 6:30am – 10am.
The swimmers arrive between 10am and 11:30am.
10-12:30pm is party and food
12:30-2:30pm is site breakdown and clean up.

I will need people to help with both parts. If you would like to come later and stay to help clean up that would be fantastic or you can come early and help set up. Please indicate what time you would like to volunteer. Let me know as soon as you can. Thanks !

Rachel Zollner

rachel.zollner@verizon.net

Strawberry Recap –Rosemary Thomas
 Many people asked for the recipe so.....

Here's the secret recipe for a wonderful Strawberry Festival.
 Many, many dedicated volunteers – both old friends and new friends
 1,368 pounds of strawberries - for shortcakes, smoothies, and chocolate covered treats
 Biscuit mix for 2000 shortcakes
 80-85 quarts of fresh heavy cream
 Two large rolls of tickets
 A prep party at the LaBarr's on Saturday
 Excellent musicians
 Over 50 craft and food vendors (and a big shout out to DonnaJean for help!)
 A generous donation by Commodore Chocolatier of Newburgh
 A beloved wooden sloop for guest sails and ambience
 An environmental exhibit area, a high school art exhibit, a non-profit area, a parking plan, tents, tables, chairs, electric power, water, a portable restaurant quality convention oven, a solar trailer, 3-4 trucks, a wheelbarrow, and much more
 A great big Thank You to everyone involved !! You are the best !!

Regatta News

The Living River Regatta is a new event for the Sloop Club this year. **Registration is now open** so if you are interested in racing or know someone who may be interested; don't hesitate to join or **get the word out**. Don't be afraid if you are not a hard core yachtsperson, we have a novice division too.

We need boaters to enter the race and sign on to help raise funds for the Woody, so **Please help us to recruit**. If you know anyone who races, has a boat at a local marina, or other connections let them know about this event and our cause.

The fundraising model is similar to that used by walks and rides where participants recruit friends and others to sponsor them. So, the sooner we get entries the sooner they can start fundraising at :
<http://www.livingriverregatta.org>

We are also looking for a few more event sponsors. If you know of a likely local business or think that your employer may be interested contact David Eberle. Sponsorship info may be found at:
<http://www.woodyguthriecup.org/content/event-sponsorship-levels>

Due to the slow pace of entries we are unable to make a commitment to a restaurant so are scaling back the dinner plans in favor of a barbeque on the Beacon side so we will be needing lots of help. Please let David Eberle or John McLaughlin know if are available.

This is an important event, both as a fundraiser and as an opportunity to raise awareness of our club and mission amongst the Hudson River Boating community. Check out this article in Boating on the Hudson.

Revival

Thank you to an incredibly large number of Woody Sailors and Beacon Sloop Clubbers for the awesome effort you put into this year's Great Hudson River Revival. I would like to thank each and every one of you and mention your name here, and especially those of you that really stepped up and put forth a great effort, but you all know how bad I am with names. You know who you are, and you don't need any mention to help you feel good about yourselves.

Special thanks go to Eric Friedman who after working a full weekend at the Revival, showed up at 6 AM Monday to help breakdown the boarding structure, then loaded it onto his truck, helped sail the Woody back home, got a ride back to Croton, drove the loaded truck to Beacon, unloaded the truck, and drove me home.

Captain Steve

Yes, we took out a total of 230 Woody guests down in Croton, making it the biggest BSC tally for the Revival ever. If you didn't make it down to the festival, you missed an amazing sight: our tent, set up 14 feet from the bulkhead. Attached to the bulkhead was a ladder. Looking down, one saw a floating dock with a cut out in it to accommodate the ladder, moorings balls and a ramp that clamped onto the ladder. Basically, the guests had only to get a life preserver, go down 4 steps of a ladder, and -walk across a wooden ramp onto the Woody deck. The boat was packed with guests because it was pulling up right in front of them and loading and unloading

It didn't hurt that the weather was just amazing-it was warm but not hot. Captain Birmingham and his crew took out 5 sails on Saturday, Captain Schwartz took the last two. Not sure about Sunday-I know Captain Patrick Gallagher (yes-he was there to sub for Tom Baldino-we were all quite excited to see him back to help for the day) took out at least 6 sails, and then Steve took out two more, for a total of 15 sails.

The best part was that people, both crew, captains and guests, had more time to enjoy themselves sailing, hanging out, and touring the festival musical menu. The burn out syndrome was little in evidence this year.

Gigi

A Little Bit of the SoJo Sails Again

As happens occasionally, we had a mishap and broke the boom while sailing under Storm King and Breakneck Mountains. No one was hurt, and the Crew jumped to the task of securing the boat and insuring that no further damage was done to Woody, nor any of us. It was very impressive to see how calmly, efficiently, and quickly this was done. We resumed our transit north, while the crew continued to work on getting the boom as ready for removal and repair as was possible while still under way.

A call was sent out to alert the Monday night Captains that all was not well for the expected evening sail.... Upon our arrival, Captain Kip approached, and after a few pleasantries, informed me that there was a spare boom from the Sojourner Truth nearby and it would soon be delivered. Captain Chris and a few other crew arrived soon after and also started to help. The broken boom was carried to into the club house, and the new boom was soon delivered there also. I was worried about how all this extra work and additional repairs would get done, and instead I arrived to find yet another wave of Sloopers was on the case, and work was already under way. This happens a lot.

Captain Steve

Thanks to the quick work of our sailors and the generosity of our good friends at Ferry Sloops the Woody only missed one day of sailing and was back on the river taking out guests the next night!

Julian Davies of Urban Boat Works has agreed to strip down the old boom so that the quality of the wood can be assessed. Based on the findings the captains will decide on repair or replacement. They will also investigate the incident and recommend any changes in procedures or maintenance they feel are necessary to the executive committee.

The Beacon Sloop Club Presents
An Evening of
Artisan Beer Tasting

To Benefit the Woody Guthrie Restoration

Featuring:
Craft Brewed Beers
from the
Sloop Brewing Company

Take home a
hand-blown pint glass
with an image
of the Woody

Tickets are limited and may be purchased online at our website, www.beaconsloop.org, at brownpapertickets.com, and at Hudson Beach Glass

For more information.

Water Quality Monitors Needed

Riverkeeper needs volunteers for Rondout and Wallkill water quality studies. Riverkeeper works with citizen-led water quality sampling projects around the Hudson River Estuary to test sewage contamination levels and isolate areas with chronic high contamination levels. This data can help communities can identify and eliminate sewage pollution sources in their community and improve the quality of the local water supply.

Volunteers must be available on a majority of the sampling days, which are July 28, Sept. 1, Sept. 29 and Oct. 27.

Contact Dan Shapley dshapley@riverkeeper.org for more information.

NYS Legislature Passes Sewage Pollution Right to Know Act

On the last day of its session the legislature passed the Sewage Pollution Right to Know Act. The new law requires public notification within four hours of a sewage discharge. Notification will happen via local news outlets and the website of the NY Department of Environmental Conservation (DEC). It also requires the DEC to produce a statewide Sewage Discharge Report each year.

For more information on the law:

<http://open.nysenate.gov/legislation/bill/A10585A-2011> document.

Corn Festival Volunteers Needed!

August 12, noon-5pm

Co-coordinators Rob Thomas and Bonnie Champion

Volunteers are needed for:

- Set-up and take-down
- Shucking
- Selling Corn
- Chili

- Supporting the Woody
- Gift Baskets
- Eco-stations

All those little tasks that make a festival work

Contact Rob or Bonnie if you can help:

Robertt1027@yahoo.com, 463-4660

Bonnie: 255-6436

Scientific American Article Raises Concerns about Underground Disposal of Fracking Waste Water

In an article titled, "Are Fracking Wastewater Wells Poisoning the Ground beneath Our Feet?", [Abraham Lustgarten](#) and [ProPublica](#) highlight potential risks associated with the practice of storing fracking wastewater in underground injection wells and the lack of scientific study to validate the practice with trillions of gallons being generated by the fracking boom.

The article may be found online at:

<http://www.scientificamerican.com/article.cfm?id=are-fracking-wastewater-wells-poisoning-ground-beneath-our-feeth>
